

Product data sheet

Cleverpark 1250 | Walnut am. | Nature

Article number: 10013222

General Data

Format	
Wood type	Walnut am.
Colour	Nature
Grading	20,2
Surface treatment	sanded
Surface structure	sanded
Bevel	without bevel
Filler	
Number of layers	2
Top layer thickness	2.5 mm
Connection	Tongue + groove
Laying pattern	
Installation method	
Quantity per package	16 m ² /package
Gross weight per unit	16.448 kg
Wood origin	
Top layer	, 7611661177562
Sublayer	, 5-9

Technical Data

Release of formaldehyde acc. to EN 14342 1)	HDF
Minimum mean density	->= 800kg/m ³
Grammage	-Cfl-s1 kg/m ²
Top layer brinell hardness 2)	-E 1 N/mm ²
Shrinkage and swelling mass 3)	34 %
Underfloor heating (heat transfer resistance)	100% convenient (-0.148 m ² K/W)
Moisture content	0.063 %
Fire resistance acc. to EN 14342 and EN 13501-1	Cfl-s1
Slip resistance grade	
acc. to CEN/TS 15676 4)	
acc. to DIN-EN 51130 5)	Wood from controlled sources
Thermal conductivity acc. to EN 14342	USRV 71
Breaking resistance	<=5 ppm
Product standard	

¹⁾ The lowest emission class E1 according to EN 14342 specifies a value of <124 µg /m³.
Bauwerk Parkett products fulfil these requirements with a very low value of less than 10 µg /m³.

²⁾ At 7 % wood humidity

³⁾ Top layer in open storage, for a 1 % change in wood humidity

⁴⁾ Pendulum test

⁵⁾ Inclined surface

Certificates

Cradle to Cradle® certification	EN 13489
Wood label	

	<p>Cradle to Cradle® EPEA tests products and businesses according to five criteria, awarding Cradle to Cradle® certificates based on the achievement levels Bronze, Silver, Gold, and Platinum. All of Bauwerk Parkett's 2-layer products made at its St Margrethen facility have at least a Cradle to Cradle® Bronze certificate. The testing criteria encompass the use of healthy materials, the reusability of products (circular economy), climate protection, the responsible treatment of soil and bodies of water, as well as social justice.</p>
	<p>FSC® FSC® (Forest Stewardship Council®) was founded to promote green, socially beneficial, and commercially viable management of the world's forests. It is an international certification system for sustainable forestry management. The timber used in FSC®-certified Bauwerk Parkett products comes from forests managed in a responsible manner. The global FSC® standards for forestry and production chains complement the label of origin and set supervision and management regulations, and unlike local laws, are inspected by independent bodies every year. All products by Bauwerk Parkett marked 'FSC® 100 %' or 'FSC Mix 70 %' are always delivered with an FSC® certificate. All other 2-layer products (except for those of North American wood types) can be ordered with proof of FSC® compliance as a special option. Proof of FSC® compliance will not be provided after delivery.</p>
	<p>EPD The Environmental Product Declaration (EPD) is a certified document that provides comprehensive information about the environmental impact of a construction product. EPD plays a critical role, as it enables a transparent look into the environmental footprint of the product. It provides information about the consumption of energy, CO2 emissions, and other environmental values applicable across the entire life cycle of the product.</p>
