Product details / Technical properties

Moisture content	5-9%
Fire protection classification	Dfl-s1
Content of formaldehyde	E 1
PCP content	NPD
Brinell Value (N/mm²)	38
Shrinking and swelling	
Breaking strength	NPD
Thermal conductivity (W/(m*K)	0,13
Thermal resistance (m ^{2*} K)/W	0,11
Antislip performance (CE)	USRV 33
Antislip performance (DIN)	R9
Nobb.number	53111058
EAN Code	7035580185178

Wood is a product of nature – each tree has its own structure and individual colour combination. An image or a sample will therefore never be able to give you a complete picture of the finished floor. Please also note that the colour may change when exposed to light. As a guideline, darker wood species will get a more golden tone, whereas lighter species will become slightly darker. Cracked knots are filled with putty, so small gaps between the putty and wood may appear.
