Dfl-s1

E 1

NPD 29

Article number	10143447 (KIP2356D)
Wood	Cherry
Grading	Nature
Product type	2-layer parquet
Format	10mm Strip Prestige
Dimensions	10 x 70 x 470 mm
Top layer thickness	3,5 mm
Core material	/ Spruce
Connection	T/G
Floor heating	very suitable
Treatment	Live Matt lacquer
Appearance	Golden floors
Colour	Transparent

Wood is a product of nature - each tree has its own structure and individual colour combination. An image or a sample will therefore never be able to give you a complete picture of the finished floor. Please also note that the colour may change when exposed to light. As a guideline, darker wood species will get a more golden tone, whereas lighter species will become slightly darker. Cracked knots are filled with putty, so small gaps between the putty and wood may appear.
