Product details / Technical properties

Moisture content	5-9%
Fire protection classification	Dfl-s1
Content of formaldehyde	E 1
PCP content	NPD
Brinell Value (N/mm²)	38
Shrinking and swelling	
Breaking strength	NPD
Thermal conductivity (W/(m*K)	0,129
Thermal resistance (m²*K)/W	0,109
Antislip performance (CE)	USRV 91
Antislip performance (DIN)	R11
Nobb.number	51954314
EAN Code	7035580198246

Wood is a product of nature – each tree has its own structure and individual colour combination. An image or a sample will therefore never be able to give you a complete picture of the finished floor. Please also note that the colour may change when exposed to light. As a guideline, darker wood species will get a more golden tone, whereas lighter species will become slightly darker. Cracked knots are filled with putty, so small gaps between the putty and wood may appear.
