

Oak Transparent Nature

Article number	10143424 (EIP2356D)	
Wood	Oak	
Grading	Nature	
Product type	2-layer parquet	
Format	10mm Strip Prestige	
Dimensions	10 x 70 x 470 mm	
Top layer thickness	3,5 mm	
Core material	/ Spruce	
Connection	T/G	
Floor heating	very suitable	
Treatment	Live Matt lacquer	
Appearance	Golden floors	
Colour	Transparent	

Bevel
Number of slotted top layers

Wood is a product of nature - each tree has its own structure and individual colour combination. An image or a sample will therefore never be able to give you a complete picture of the finished floor. Please also note that the colour may change when exposed to light. As a guideline, darker wood species will get a more golden tone, whereas lighter species will become slightly darker. Cracked knots are filled with putty, so small gaps between the putty and wood may appear.
